In Re: Notification of Dietary Supplement Claims

Gentlemen:

The Monticello Drug Company of 1604 Stockton Street, Jacksonville, FL 32204, hereby provides notice pursuant to section 403(r)(6) of the Federal Food Drug and Cosmetic Act that it intends to market and distribute one or more dietary supplement products containing the following ingredient(s):

**Chlorophyllin copper complex 100mg.**

Said products will be distributed under the **Nullo®** dietary supplement brand name.

Said products will bear the following statement(s) in labeling:

Customers have found **Nullo®** to be effective when taken daily, to help to help reduce odors related to fecal and urinary incontinence, bad breath, perspiration odors such as foot odor, underarm odors, as well as masculine and feminine hygiene. **Nullo®** also works to reduce the natural scent of the body which aids hunters and outdoorsman.

The information here provided is hereby certified to be complete and accurate.

The Monticello Drug Company further certifies that it has in its files substantiation that the aforementioned statements are truthful and not misleading.

Two copies of this notification are being provided herewith.

Sincerely,

Robert B. Russell  
Vice President of Regulatory Affairs
